RE: APPLICATION TITLED "METHOD FOR IMPROVING PRECISION OF DATA
ACQUIRED BY SPECTROMETER METHODS";
SERIAL NO.: 09/862,881
FILED: 05/22/2001

Dear Sir;

Please find enclosed a Petition to Allow the date of
05/22/01 as the Filing Date in that all the Claims are Method
Claims and in that the Drawings are demonstrative of systems
which might be used in applying the Claimed Methodology. The
Drawings are thus not necessary to fully disclose the present
invention.

It is noted that Drawings are being submitted at this time
in a separate submittal accompanying this submittal, only to make
the Application complete. The Detailed Description of the
09/862,881 Application makes reference to the Drawings and
without their presence said discussion will be difficult to
follow.

Return of the Petition Fee is requested in that it is not
known how the Drawings were not submitted with the original
submission.

Please consider the accompanying Petition and then provide a
Filing Date of 05/22/01.

Sincerely,

JAMES D. WELCH
